Hi, folks – For our discussion at 11, I took Matt's original summary of these issues, tried to shorten for an ultimate management/leadership read, and added proposed approaches/resolution where we were getting close to consensus, at least here in R4.

Let's use this as the basis for discussion during our 11 o'clock call so we can work towards having a problem & proposed solution description to run up the chain as soon as possible afterwards.

Thank you!
~ Rosemary
